Valentines Day

An "up-do" is perfect for a romantic evening of dinner & cocktails. Our "up-do's" start from £33 & are available in the salon from Tuesdays through until Saturdays, every week. We can create a style to suit your face shape, your evening outfit & your personality. Ranging from bohemian, dishevelled styles to smooth, sleek chignons.

If an "up-do" isn't what you fancy, but you'd still like a style to hold a little longer and not have to worry about doing it yourself, our Wash & Finish service would be ideal. Starting at £19.00, after washing & blowdrying your hair you have the choice of a straight, curly, or wavy finish.

Nothing sets off your look quite like a set of glam nails does. Here at Salone@Gabrielle offers a variety of Nexgen shades.

If you're happy with your nail length, you're best bet would be a set of Overlays at £20. If you'd like your nails to look longer or fancy a fashionable shape (i.e. Ballerina*) a set of Extensions would work for you at £25. No matter what you wear on Valentine's Day, your outfit will be finished by your nails!

* Ask us about the nail shapes on offer!

If you're looking for a more drastic change before Valentine's day, pop in for a complimentary colour consultation. We can talk you through new

ideas for either a complete colour & cut restyle or just a few subtle highlights, all using colours to match your skin tone.

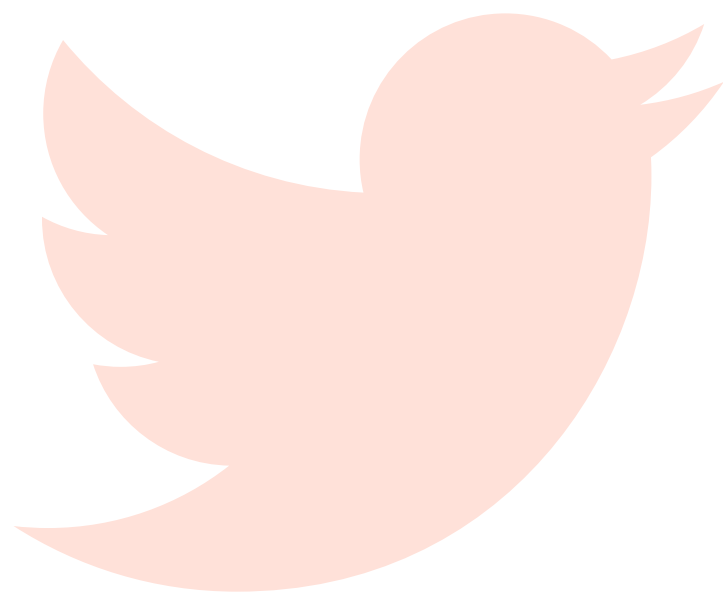

Our Wash, Cut & Blowdry service is £27, but if you're pushed for time, we offer a Dry Cut at only £11.50!
